Certification of Flight Training

For Students Completing the Commercial Professional Pilot Training Concentration

Aeronautical Sciences Program – 200 W. Kawili St. Hilo, HI 96720 – Ph: (808) 932-7153 – roberto6@hawaii.edu

- This form is used to certify that students have successfully completed their training and will be used to initiate the credit granting process at UH Hilo for the flight training courses and to proceed to graduation.
- Students should complete this form as soon as they earn the FAA Commercial Single and Multi-Engine ratings.
- The form requires the signature of the Director of the Flight Provider (Flight School).
- Students should submit the completed original form along with a scan/copy of their FAA Commercial Pilot License, including all ratings to the Aeronautical Sciences Program Coordinator for processing.
