Monthly Evaluation:

| | |
|--|--|
| Please comment on the student's understanding of academic material or progress in this direction. | |
| Please comment on the student's ability to self-monitor, look for help themselves (i.e.. book or Internet), check & correct their own work, willingness to review, revise, and redo. | |
| Please comment on student's demonstrated study skills: note-taking, binder organization, use of tools such as flashcards & visuals, previewing future academic content. | |
| Please comment on student's level of questioning: Are they asking the right questions, Do their questions show that they have already engaged the material, how is the depth of questions asked. | |
| What do you think the student should work on next month? | |
