RISO Updates
December 2, 2013

Aloha Mai Kakou,

Mahalo Nui Loa to all the RISOs that participated at the November RISO Flow…it was great to see students performing, interacting with each other and having a good time together. I am thankful for all of you that took the time from your busy student schedules towards the success of the RISO Flow event!

Also, I am hearing more from students discussing upcoming FINALS and want to remind all of you to get enough sleep, rest, cat naps, do some meditation, and eat regularly as much as possible. UHHS will be sponsoring *Oh Hell Week* once again – look for announcements from them when areas will be available for studying.
