RISO Updates
August 22, 2013

Aloha Mai Kakou,

I have great news -- the RISO website (http://hilo.hawaii.edu/campuscenter/riso/) is fully ready for you to begin the registration process. Please remember the Signature Form does need to be turned into the Student Leadership Office at Campus Center Rm 309. All other forms can be emailed to me at bergknut@hawaii.edu.

Also, take time to review the RISO Handbook which has been recently revised.

I look forward to receiving your registration forms, seeing you at Week of Welcome and at the RISO Fair.

Mahalo, Leomi

NEW RISO REQUIREMENTS
Due to the separation with Hawaii Community College (HawCC) with student fees –RISO’s will need to adhere to the following:
1. Board Members will need to be registered UH Hilo students with 6 or more credits.
2. The Authorized & Contact persons have been combined – they will need to be UH Hilo student registered with 6 or more credits.
3. RISOs must consist of 75% or more of UH Hilo students and 25% community members. HawCC students will be considered community members.
4. The Orientation Training is mandatory for RISOs who are to attend with at least 1-Board Member. The training is also mandatory for Advisors who may send an alternative representative.
5. The Funding Workshop is mandatory for any RISOs seeking funding from our Chartered Student Organizations (UHHSA, SAC, BOSP, BOMB & the Fee Board).
   ➢ In the form of leadership, I encourage all of you to attend UHHSA meetings as an important discussion on a Local Food Initiative may affect those of you seeking funds that are related to food at events, food items for fundraising, and food at celebrations. Or contact your college Senator to gain further information.
