8.1 – CAS Senator Resignation
(Senator at Large Fuentes has arrived)

CAS Senator Kakazu: For me student government is the only organization is the only organization that is organized to be the voice of the students. That’s why I think it is
imperative to be in good relations with the students. I hope we continue to get more student input. I just want to say thank you UH Hilo Student Association and thank you students. Although I will not be in UH Hilo Student Association I will continue my work to make the campus better.

CAS Senator Kakazu: This is a notice of my resignation from the UH Hilo Student Association. Let me first say, mahalo to everyone. This has been a wonderful experience and I have learned so very much... All of our paths meet in our journey through life so don't think this is the end of our relationship, I will see you all soon again.

Although UH Hilo Student Association is an autonomous, democratic body, which responsibilities include representing the student's voice and interests, considering that UH Hilo Student Association must work with Campus Center to address student needs and desires, I am obligated to consider my affect on the relationship between UH Hilo Student Association and Campus Center. In light of recent events, although I am confident in the quality my work within UH Hilo Student Association, simply said, it has become clear to me that my status in the social hierarchy of Campus Center, has created an environment where regardless of my intent, my effectiveness in bringing about a positive impact has been compromised and I fear that this may ultimately filter through as diminishing quality of service to the students. I would like to clarify that I am in no way conceeding to the opinions of a few, but considering the amount of energy I spend fighting resistance, and understanding the power of influence, after much thought, it has become clear to me that I will be a more effective organizer in addressing student issues, working from outside of Campus Center rather than from within. I also believe it will be much less stressful and I will be much happier. I have met many conscientious, strong, sharp, incredibly capable students working hard in UH Hilo Student Association and Campus Center to make this campus a better place and am honored to have been a part it. I believe we all share a common goal, that is, to make this campus a vibrant, engaging and inspiring place for students and so I look forward to continuing to work with UH Hilo Student Association and Campus Center in achieving these goals.

Move to accept CAS Senator Kakazu’s resignation by CAFNRM Senator Zhuraw.

Move to approve Senate Bill 13-14:017 by Senator at Large Wolff

Data Director Morales: Is there a reason that this bill does not include the amounts needed to order the shirts?

Senator at Large Fuentes: We were unsure if we could put all of it together on one bill.

8.3 – Student Opinion Survey
Senate discussed the creation of a survey and distributing it to the students so that we may get input on what the students want, and decide on a plan of action from there.

Move to tentatively accept Student Opinion Survey by CAFNRM Senator Zhuraw
Second: Graduate Senator Savona

Move to table Student Opinion Survey by Data Director Morales
Second: CAFNRM Senator Zhuraw
Vote: 8-0-0

Senate agrees to have Senator at Large Wolff be the point contact person on the Survey and to have a proposal ready to vote on next week, which will give us a time line and tentative proposals of how to use the information for the survey.

8.4 – Camp Kesem Proposal
Data Director Morales: UHHSA was approached to create a letter of support to start a Camp Kesem chapter on this campus. Camp Kesem is a camp for children with parents who have or had cancer.

Senate determined they are unable to write such a letter, as this letter needs to come from administration. Camp Kesem supporters were redirected to VCSA and Campus Center Director.
