Academic Advising

Students with declared majors

Students with declared majors are assigned to a faculty advisor according to their "major". Please go to MyUH or STAR to find the name of your faculty advisor. If no advisor has been assigned, see the left side of this page to contact the college of division office.

Exploratory students

UH Hilo Advising Center

PB 2, Room 103

hilo.hawaii.edu/advising

Students who are "undeclared" and have not decided upon a major are assigned to a professional advisor in the UH Hilo Advising Center. The staff, including peer advisors, assists exploratory students and provides information about general academic requirements and works with Career Development Services for career advising.
