808-974-7545

The Math Lab (College Hall 5)

808-974-7380

<http://www.uhh.hawaii.edu/academics/math/mathlab>

Academic Advising

Students with declared majors

Students with declared majors are assigned to a faculty advisor according to their "major". Students can go to: www.uhh.hawaii.edu/studentaffairs/advising to find the contact information of their assigned advisors. If no advisor has been assigned, see the reverse side of this sheet to contact the college of division office.

Exploratory students

UH Hilo Advising Center
PB 2, Room 103

www.uhh.hawaii.edu/studentaffairs/advising

Students who are "undeclared" and have not decided upon a major are assigned to a professional advisor in the UH Hilo Advising Center. The staff, including peer advisors, assists exploratory students and provides information about general academic requirements and works with Career Development Services for career advising.
