Subject: Faculty Congress Motion addressing student withdrawal date.  

At the December 18, 2015, Faculty Congress meeting, a motion addressing concerns about the student withdrawal date, expressed by Susan Brown at the previous Faculty Congress meeting, was approved unanimously by the members of Faculty Congress.  

The motion is as follows:  

Motion to reschedule the last day for students to withdraw with a “W”:  

Whereas many students request that the Dean make an exemption to the current deadline,  
And whereas, other campuses in the UH System have later withdrawal deadlines  
Therefore, be it resolved that Faculty Congress support the rescheduling of the last day to withdraw with a “W” to 10 weeks into the semester instead of the current 8.  

Faculty Congress voted in favor of the motion: 20 approved, 0 opposed, 0 abstentions.
