

## WORK HARD/PLAY HARD (WH/PH)

### FUNDING REQUEST BREAKDOWN

The main function of Work Hard/Play Hard is to plan, organize and execute community service projects. In this action team (club) members are introduced to variable degrees of:

- ***Satisfying required community service hours for scholarship and other related programs.***
- ***Life, social, customer service, and work behavior skill development experiences.***
- ***Event planning, time and people management, organizational, coordinating and leadership roles and responsibilities.***
- ***Business and personal career networking opportunities through exposure to prominent island leaders in our communities.***
- ***Resume and good report building vital to a healthy career future.***
- ***Island culture respect, appreciation and enlightenment by immersion through humble time giving service to our many island communities.***
- ***Magnified environments for powerful life building moments of raised personal moral, confidence and esteem, team and relationship building and most likely = self-actualization.***

To achieve these you must be in the act of doing them. Simply thinking and talking about it brings no fruitful rewards.

The main funding that needs to be addressed is the need for transportation and food. WH/PH has drivers that have been certified to operate the available 15 passenger UHH vans. WH/PH has planned many off-campus service projects hence our transportation needs are high. With estimates of 30 members in attendance for the majority of our service projects (SP's) we will run the numbers this way:

- I. Transportation by **increments of 10** (10 passengers per vehicle, this will allow space for carrying event related equipment along with us in the same vehicles)
  - ✓ Reservation of **1 UHH van for 12 hours** @ \$3/hr= **\$36**.
- II. **\$3 per person** requested for food. In planning this we were unfamiliar with any UHH provided meal plans so in light of this we estimated plans to buy in bulk for our team members. (sandwiches, hot dogs, drinks, utensils etc)
  - ✓ **10 passengers per van : \$30**

The following is the calendar breakdown of our planned SP's by semester.

<u>FALL 2008 (7 DATES)</u>		Name of service project (SP): vehicle reservation amt/ food request	Request amount	Member count
	<u>HOURS WORKING</u>			
•	NOV 22 (4 hrs)	Volcano area Koa tree reforestation: <b>2 UHH Vans / Food is provided</b>	\$72.00	20 +
