

UH HILO DEGREE PATHWAYS - CLASSIFIED APPLICATION FORM

Who submits this form:

Students enrolled or planning to enroll at another campus in the University of Hawai'i system who wish to be admitted and eligible to take one or more courses concurrently through the University of Hawai'i at Hilo.

Home Campus	Secondary Campus	Description	Requirements	Deadline
UH Community College	UH Hilo Classified in a Degree Program	Register for UHH courses with other classified students. Follow the Degree Requirements for the catalog year of your admission.	Degree Pathways Application Transcripts from all non-UH Colleges 2.0 GPA minimum 24 credits \$50 Application Fee	July 1 (Fall) December 1 (Spring)

The UH Home campus will remain the primary campus. This Degree Pathways enrollment status may continue in subsequent terms without submitting another form unless the student decides to sit-out of the UH System and then re-enter at a later term. The Degree Pathways student does not have to immediately enroll at UH Hilo and does not have to take courses through UH Hilo every term to maintain their Degree Pathways eligibility. The application fee will only be collected once as long as the student maintains their continuous enrollment in the UH system.

A student can have only one home campus and one secondary campus. For students who later wish to change their home campus to UH Hilo, a one sentence written request should be submitted to the UH Hilo Admissions office with the student's signature and ID number.
