Recycling Updates and Reminders

**Electronics**
Unwanted electronic equipment can be recycled for a small fee or stored until the County or responsible computer company (such as Apple) announces Island-wide disposal dates.

**Household Hazardous Wastes**
The County’s semi-annual Household Hazardous Waste (HHW) collection is scheduled for Saturday, June 5th at the Hilo Transfer Station and Saturday, June 12th at the Kailua-Kona Transfer Station. Hours of collection are from 7:30am-2:30pm.

HHW includes collection of all types of batteries, CFL’s, unused or outdated medications, automotive fluids (including used motor oil), mercury thermometers, compressed gas cylinders, garden supplies, poisons, oil-based paints and stains, and miscellaneous household products. Not accepted are: explosives, flares, fire extinguishers, detergents, sharps, and non-hazardous materials.

Recycle Hawai‘i will also be collecting Latex paints and base materials at the HHW events.

For more information, call the County at 961-8942 or visit hawaiizerowaste.org for more information.

Mahalo for recycling.
