Coping with Trauma Across the Islands: Healing the Wounds of Our Community

Tuesday, April 28th
4:30pm – 7:00pm
FREE

University of Hawai`i at Hilo Campus:
University Classroom Building 100

Emotional trauma comes in many forms, and its impact can be profound. Join us as we explore the various types of trauma present in our islands, and the paths available to healing and recovery.

Topics include treatment of PTSD, sexual trauma and domestic abuse, trauma within families, and more
