d. **Student Success and Admissions, EMIT**: Adam Pack reported that EMIT and SSA did not meet last month.

e. **Budget**: Brian Bays reported that Long Range Budget Committee met April 11, 2014 to discuss planning for next biennium budget and UH System’s strategic directions for 2015-2021:

- Biennium Budget Planning. UH Hilo will have to explain use of base budget funds and how we contribute to UH initiatives; process for FY15: campuses to review projections and reallocate tuition revenues toward achieving full compliance with requirements of the Violence Against Women Act; estimation of operating reserves;
- Strategic Directions 2015-21 – Each unit will determine base operating budget and CIP requirements; then delineate a priority list of proposed additional investments in program enhancements to align with System’s Strategic Directions, increase productivity and efficiency (e.g., student recruitment, cost reductions through technology enhancements, consolidation administrative units);
- Timeline for 2 year budget to be presented to BOR in August.
- Chancellor wants UHH to focus on Hawaii Graduation initiative—increase number of student completions.
Committee continued discussion of student retention, strategic enrollment management, improving graduation rates.

f. Curriculum Review: Norbert Furumo reported that committee has completed all tasks.
g. General Education: Mike Bitter’s report can be found on the Congress website under “Committees” and “General Education”. Thora Abarca added they are reviewing 26 applications for GE and meeting in early May.

- Changes to be voted on at May Congress meeting.

Old Business
Discussion on language change for CCRC description (previously circulated)
New Business

Presentation by Ray Bedard, UH Hilo Flight Center; Arthur Cunningham, Ray’s former student

- ATP will be forwarded to CCAO; preparing full proposal for BOR
- Funds provided by 2013 legislature ($100K) studying possibility of flight school in Hilo for next year.
- BSAS in Aeronautical Science
- Anticipated start next Fall 2015; 3 semesters/year; 8 semesters→ first graduating class May 2018.

There will not be a vote on this ATP at this time.

Existing post-tenure review policy: Mike reported this was sent to Academic Policy Committee

Sabbatical Return Report Guidelines (circulated by Jan Ray)

Attendance at May meetings: Jim Beets suggested a new business item for consideration: May meetings are historically under-attended; this is an important meeting-- installation of new officers and faculty representatives.

List of Congress members’ committee assignments and terms. Jan Ray suggested this might be helpful as Faculty Congress reps are asked to serve on multiple UHH committees.

Adjournment Motion to adjourn by Joyce Auau, seconded by Kim Furumo; passed unanimously.

Respectfully Submitted,

Avis Masuda

APC Motions:

Motion and First Reading:

The following revisions and additions are recommended to the Faculty Congress Charter and By-Laws:

CHARTER

Article IV, Meetings

Section 2. By-Laws: The Congress shall adopt Bylaws as it deems necessary. Passage or repeal of Bylaws shall require a majority vote of the total membership of the Congress after two readings.
Section 2. By-Laws: The Congress shall adopt Bylaws as it deems necessary. Passage, repeal, or modification of Bylaws shall require a majority vote of the total membership of the Congress after two readings.

Faculty Congress Bylaws (revised May 10, 2013)

1. Disclosure Rule

Any business not routine in nature or any proposal of more than 15 words must be available for review by members at least 48 hours before consideration by the Congress. This rule may be suspended by a two-thirds vote of the Congress members present.

5. f. Curriculum Review Committee

The Congress will appoint a Curriculum Review Committee of not less than five members with at least one member and one alternate from each degree-granting College, one member and one alternate from the Graduate Council, and the University Registrar or his/her designate. The Congress will also appoint a faculty member currently serving on Congress to serve as Chair of this Committee. The purview of this committee will be to review and approve all curricular revision and new curricula university-wide. Members shall serve two-year staggered terms. The Chair of this committee will receive a one-course course reduction or one-course overload payment for year. Terms of office will be overlapped so that each year half of the membership will be replaced to provide continuity from year to year.

New programs and their related curricular material shall be prioritized and considered together. Any new programs requiring BOR approval, after being reviewed and approved by the Curriculum Review Committee, will be forwarded to Faculty Congress for a vote before being sent on to the VCAA.
Chair of the Curriculum Review Committee will submit timely reports of committee actions on all other proposals to Faculty Congress.

Curriculum Review Committee Members shall serve two-year staggered terms. The Chair of this committee will receive a one-course course reduction or one-course overload payment for year. Terms of office will be overlapped so that each year half of the membership will be replaced to provide continuity from year to year.

The APC will present the following motions:

**MOTION: ON-LINE LABS NOT EQUIVALENT TO REAL HANDS-ON LABS**

Whereas on-line laboratory courses do not train students in hand motor skills with laboratory equipment and safety, on-line laboratory courses are contrary to the mission of hands-on laboratory courses. On-line laboratory courses are not academically equivalent to hands-on laboratory courses. On-line laboratory courses should be designated as such with a different alphanumeric code; for example replace the “L” code for “laboratory course” with “OLL” for “on-line laboratory course.”

**MOTION: Recommendation to exempt UH-Hilo graduates from the 30 credit residency requirement for a second degree.**

WHEREAS, a student who received a degree from UHH has met the 30 credit residency requirement, it is recommended that a student returning to complete a second UH-Hilo degree be exempt from the 30 additional credit requirement.

**MOTION: Recommendation to accept the modifications to the Academic Policy Flow Chart as presented to Faculty Congress.**
