Jean Ippolito reported that the General Education Committee is using a completely new GE application process and that they have already received many applications prior to the May 1 priority deadline. Jan Ray reported that she is still waiting to hear back from the Chancellor regarding faculty notification for emergency drills (per concern 19-20C).

Jan Ray reported that the Chancellor will consider scheduling campus events at times when more faculty are available to attend; the suggestion was made to the Chancellor that varying the times of events would allow more faculty to attend.

Joy Lovell (who is replacing Steve Lundblad as CNHS faculty senate chair) read the following Motion to Request Criteria for Promotion from Instructor to Assistant Professor:

“Whereas, the current UHPA contract provides a clause regarding promotion from Instructor (I-2) to Assistant Professor (I-3) in article XIV, section C that states: Faculty Members in the Instructor rank who meet the criteria for promotion to Assistant Professor (I-3) may apply for promotion to that rank provided that the Faculty Member has satisfied the requirement for time in their current rank prior to applying to Assistant Professor (I-3).

Whereas, there are no criteria nor procedures related to application and evaluation for promotion from an Instructor (I-2) to Assistant Professor (I-3).

Whereas, Instructor (I-2) to Assistant Professor (I-3) guidelines and procedures are required to effectively evaluate candidates.

Whereas, this is a University-wide issue.

Therefore, it is requested that the UH Hilo Faculty Congress recommend clear guidelines and procedures for promotion from Instructor (I-2) to Assistant Professor (I-3) and work with Vice Chancellor for Academic Affairs.

Recommendations for factors to include in guidelines:

1. Instructors have completed at least 5 years of service at UHH, meets the minimum qualifications for an Assistant Professor in the department, and the Dean has determined a present need in the department and in the college for such a position (after consulting the department) may apply for promotion to I3.

2. The candidate must submit a dossier to be reviewed by College and University Personnel committees.”

There was discussion about the process and guidelines, including the need for unit-specific guidelines. Ken Hon reported that he would send Jan Ray the draft

TOPIC: Old Business: Vote of No Confidence in DKICP Dean Ma
REPORT: DKICP senate chair Sue Jarvi reported that she distributed the no-confidence vote packet to FC members via email per their request at the January meeting. She also reported that, despite the FC motion approved in January 2020 requesting that administration provide an immediate and formal response to the no-confidence vote, no response has been provided. Based on the information in the no-confidence packet, Sue Jarvi moved to request that Carolyn Ma’s appointment as Dean be terminated. There was discussion about the campus-wide focus of FC and the lack of response by administration, who received the packet on November 5, 2019. Chancellor Irwin reported that she is aiming to provide a formal response to the no-confidence vote by mid-March and committed to a response by the end of March.

ACTIONS: Eric Heuer moved to table Sue Jarvi’s motion until April, and Eric’s motion was seconded. With no further discussion, the motion was approved with 17 votes in favor, 0 against, 2 abstained.

TOPIC: Vox populi
REPORT: DKICP pharmacy student leaders reported that since the opening of the new building, students’ access to adequate study space has been reduced, which has adversely affected their studies. After a petition to expand access to the new building was signed by over 700 people, building access was expanded to midnight. However, exiting the building at midnight poses safety risks to students, so they are requesting 24/7 access to sections of the new building (as they had with the modular facilities prior to opening the new building). There was discussion about students in other colleges who are also in need of 24/7 access to study space on campus to enhance their success. DKICP faculty also reported that they have had restricted access to the new building that interferes with their ability to work effectively and efficiently. The students also reported that Dean Carolyn Ma is condescending and dismissive towards them. Chancellor Irwin reported that she would schedule a meeting with the students to discuss further.

ACTIONS: FC members applauded the DKICP students for their commitment to their studies and for reporting their concerns and will continue tracking the issue of 24/7 access to adequate study space for UH Hilo students to enhance their success.

TOPIC: Adjournment
REPORT: None.
