

**Background Check and Drug Testing
for Nursing Students**

Notice to Students

“Nursing students are required to complete University-prescribed academic requirements that involve clinical practice in a University-affiliated agency setting with no substitution allowable. Failure of a student to complete the prescribed University nursing clinical practice in a University-affiliated agency shall be deemed as not satisfying nursing academic program requirements. It is the responsibility of the student to satisfactorily complete affiliated-agency background checks and drug testing requirements in accordance with procedures and timelines as prescribed by the affiliated agency.”

I understand the above *Notice to Students* and agree to comply with all clinical agency requirements, such as a Federal criminal background check and drug testing. I understand that failure to pass a background check or drug testing will disqualify me for admission or continuation in the UH Hilo Baccalaureate Nursing Program. There is a \$25.00 fee for the background check and drug testing.

- I agree.
- I disagree.
