('Student ID No.)

RULE: No student in the College of Agriculture, Forestry & Natural Resource Management (CAFNRM) shall be allowed to register for more than 18 credits per semester unless that student has a cumulative grade point average of 3.0 or better. In such a case, the student shall be allowed to register for a maximum of 21 credits.

RULE: Credits in Agriculture 299 shall not be included in the maximum number of credits allowed.

I certify that my overload, up to 21 credits, is permissible because my grade point average is 3.0 or better, or, because my overload, up to 21 credits (for students whose GPA is below 3.0) or 24 credits (for students whose GPA is 3.0 or better) is entirely due to my enrollment in Ag 299.

Note: After your academic advisor has signed, submit this form to the Dean's Office for processing.
