

**UH Hilo Aeronautical Sciences Pre-Enrollment Acknowledgment Checklist**  
For US Citizens Only

I acknowledge that:

1. I will be required to pass a class 1 medical certification, which includes being physically fit, and meet vision requirements by the end of the first year of the program. However, obtaining a first class medical certificate prior to starting the program is advisable, but entirely at the students discretion.
2. Under FAA regulations, having any legal violations or police citations may significantly reduce your ability to earn a pilot license and the ability to be hired by a major airline.
3. I will be required to submit copies of any prior flight certificates earned.
4. I will be required to obtain 1 hour of logged flight time required by the end of the first year of the program. However, completing this requirement by the end of the first semester is encouraged.
5. I will be required to provide Proof of US citizenship (Unexpired US Passport or Birth Certificate/Naturalization certificate and a Government Photo ID) before starting the simulator courses in the first semester.
6. I will be required to wear a uniform at least one day per week as a requirement for program courses and professional development.
7. Having visible tattoos could significantly diminish my ability of being hired by a major airline.
8. During the 4th year, the CPPT program will require students to attend flight training with a provider and will involve significant costs estimated at \$89,000. (Details of Estimated Costs can be found at: <https://hilo.hawaii.edu/depts/aeronautics/estimated-cost-of-attendance.php> )
9. I will not be eligible for Financial Aid from UH Hilo in year 4 of the CPPT program. Financing for Flight Training can be arranged through the flight provider directly. Please do not submit a FAFSA for the 4th year of the CPPT program. CAIT students are eligible for Financial Aid in the 4th year and should submit a FAFSA.

**Commercial Professional Pilot Concentration**

All statements above apply. Please sign below to acknowledge:

Student Name	Student Signature	Date
--------------	-------------------	------

**Commercial Aerial Information Concentration**

Statements 5 & 6 only apply. Please sign below to acknowledge:

Student Name	Student Signature	Date
--------------	-------------------	------

**For Both Concentrations:**
