2021 - 2022 DEPENDENT STUDENT

Request for Review of Special Circumstance(s)

The 2021-2022 Free Application for Federal Student Aid (FAFSA) uses your family's 2019 calendar year income to determine your financial aid eligibility. It is assumed that this is an accurate predictor of your family's financial strength during the academic year. We understand however, that this may not be the case. Federal Regulations allow us to adjust the FAFSA to reflect more realistic information when a family's income is drastically reduced from one year to the next. If you would like to request a re-evaluation, please complete this form and attach all supporting documents.
