

PHPS 780 Research Seminar	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M
PHPS 799 Directed Studies	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M	I, P, D, M

### Program Rubric for GPOs 4

Scale	GPO 4
4—Advanced	Graduate student will conduct expansive research (both independent and collaborative) that results in ground-breaking and innovative contributions to knowledge
3—Competent	Graduate student conducts research (both independent and collaborative) that results in an original contribution or insight to knowledge
2—Beginning	Graduate student undertakes some independent research but is able to be helpful in a collaborative project; results from research may replicate what has already been done
1—Needs Improvement	Graduate student cannot undertake independent research (may need too much supervision by the thesis director); results from research may replicate what has already been done
