

8. Regarding your General Education Courses (including HPP & GCC), please tell us how they helped you develop in the following areas:

- a. SENSE OF PLACE—*Honua Hawai'i*, an understanding of Hawai'i's uniqueness as the home of indigenous people, immigrants, and immigrant descendants.
- b. SENSE OF HUMANITY—*Kākou*, a better understanding of multiculturalism and diversity.
- c. SENSE OF OTHERS— *'Oukou/Lākou*, empathy and understanding of the social and cultural complexities in and among different groups of people (i.e. people of different nations, geographic/environmental regions, religions, gender & sexuality, religions, economic classes)
- d. SENSE OF SELF—*Au/Mākou*, how you are shaped by diverse cultural and social experiences.

9. Regarding your Major(s), Minor(s), & any certificate programs, please tell us in detail how these helped you to achieve the following:

- a. SENSE OF PLACE—*Honua Hawai'i*, an understanding of Hawai'i's uniqueness as the home of indigenous people, immigrants, and immigrant descendants.
- b. SENSE OF HUMANITY—*Kākou*, a better understanding of multiculturalism and diversity.
- c. SENSE OF OTHERS— *'Oukou/Lākou*, empathy and understanding of the social and cultural complexities in and among different groups of people (i.e. people of different nations, geographic/environmental regions, religions, gender & sexuality, religions, economic classes)
- d. SENSE OF SELF—*Au/Mākou*, how you are shaped by diverse cultural and social experiences.

10. Regarding all of your non-course related, co-curricular activities (RISO clubs, athletics, Global Exchange, Housing, Counseling, Advising, Other Student Services), how well did these also help you achieve the following:

- a. SENSE OF PLACE—*Honua Hawai'i*, an understanding of Hawai'i's uniqueness as the home of indigenous people, immigrants, and immigrant descendants.
- b. SENSE OF HUMANITY—*Kākou*, a better understanding of multiculturalism and diversity.
- c. SENSE OF OTHERS— *'Oukou/Lākou*, empathy and understanding of the social and cultural complexities in and among different groups of people (i.e. people of different nations, geographic/environmental regions, religions, gender & sexuality, religions, economic classes)
- d. SENSE OF SELF—*Au/Mākou*, how you are shaped by diverse cultural and social experiences.
