

Incident #1

- Date Filed: October 2017
- Summary: Allegation of bullying from student to student
- Disposition: Referred to Student Discipline. Student-Athlete removed from team

Incident #2

- Date Filed: September 2018
- Summary: Anonymous email from concerned parent regarding allegation of restriction of food, water and emotional abuse by volleyball coach.
- Disposition: Conducted internal investigation interviewing all players on this team as well as athletic trainer that travels with team. Did not find any evidence of coach restricting food/water from players. There may have been personality conflict with coach as he was strict and that style did not mesh with one of the players. Interviews with all of the players (except one), assistant coaches and athletic trainer allegations of emotional abuse were found baseless. Case eventually was referred to EEO/Title IX who conducted interviews in February 2019. Coach eventually resigned in March 2019 due to personal reasons.

Incident #3

- Date Filed: September 2019
- Summary: Student claimed did not receive per diem while on several trips
- Disposition: Pulled signature logs from trips that student claimed did not receive per diem to verify her signatures stating she received per diem. Student apologized and realized she was mistaken.

Incident #4

- Date Filed: November 2019
- Summary: Season ticket holder complained about their seats always being occupied by others at the time of their arrival to games.
- Disposition: Communicated to ushers to ensure proper seat occupancy for season ticket holders and sent a letter of apology to this particular season ticket holder.

Incident #5

- Date Filed: March 2020
- Summary: Student claimed she was being discriminated against by teammates in the form of not getting opportunities on the court while playing.
- Disposition: After meeting with this student and her teammates determined that issue stemmed from parents not getting along with one another in the stands at the games. This was being filtered down to their children creating discord on the team. However, there was no evidence of missed opportunities on the court. Student transferred to another school.
