Maui CC			1	7.1%	1	6.7%	3	16.7%		

¹ Other Associate Degrees include the Associate in Science (AS) and the Associate in Applied Science (AAS).

Note: This table shows associate degrees earned by transfer students from the UH Community Colleges only. Includes degrees earned prior to transfer and from the previous colleges of record as shown in Table 2. If a student earned more than one degree prior to transfer, priority is given to AA the degree. The denominators used in the percentage calculations are the previous college campuses as shown in Table 2.

Note: there were additional associate degrees earned not shown in this table. These are of two types: a) those earned prior to transfer but from a community college other than the previous college of record; b) multiple associate degrees earned by students - only the first degree earned is counted here. Note further that some students earned associate degrees after transfer to UH Hilo. Finally, this table does not include associate degrees earned at non-UH Institutions.
