Notes:

- 1) Only courses numbered below 299 may be counted for General Education credit. Also, no 199 courses may be counted for General Education credit.
- 2) No course may be counted for more than one General Education requirement.
- 3) To count for General Education Area Requirements, Interdisciplinary courses must be listed (in the UHH Catalog) under both Interdisciplinary Studies and their respective disciplines.
- 4) Students who complete MARE171/BIOL171 may choose to count that course EITHER as Marine Science OR as Biology but are STILL required to meet the Natural Sciences Area Requirement in three separate disciplines.
- 5) Courses, which meet BOTH major requirements AND General Education Requirements, may be simultaneously counted for BOTH. (Courses are not excluded from meeting the UHH General Education Requirements solely because they may also be required for a major.)
- 6) Students who entered the University of Hawaii at Hilo prior to the dissemination of these General Education Requirements may choose to be evaluated under these General Education Requirements described herein.
