HOUSE IN HAWAIIAN PARADISE PARK: 2 bedroom and den, 3 bath, 1700 sf,

Our Hawaiian modern furnished green home is available in August for a year lease. Rent is $1450 per month and includes solar hot water and solar electrical power. Location is 25 minutes from the Hilo Airport, and ten minutes to shopping and restaurants. This is a sustainable architecture "case study" house, the first of a five-acre mini-community of ground-up green buildings. There are two main bedrooms and one den with a convertible sofa bed. Two full baths with oversized tubs and a half bath at the den, with a mango-view shower on its own private lanai. Lots of big dual-glazed windows catch the tradewinds, views of the jungle, Mauna Loa and Mauna Kea, and an ocean view from the massage loft. Totally furnished and art on the walls. Architect-designed kitchen with maple and stainless steel cabinets, butcher block and concrete counters, gas cooktop and spacious energy star refrigerator with icemaker. Non-chlorinated UV-purified rain water system is healthy and feels great on your skin. Solar air heater combined with hydronic fan coils dry clothes in the automatic, naturally augmented machine. Private but convenient, not like anything else. Phone and high speed internet is available. References required, no pets allowed.
