REQUEST FOR STATEMENTS OF INTEREST
N40192-21-2-8002 PROJECT TO BE INITIATED IN FISCAL YEAR 2021
Project Title: Joint Region Marianas Area of Responsibility Cultural Resources Support Group

1. Please clarify if the DON will be providing office space, office supplies, and/or computer(s)/networked equipment for the Recipient's employee(s) duty stationed within the JRM AOR.

**Government Response:** will provide the recipient cooperator the office space on base for the two technical individuals required of the Cultural Resources Support Group staff. However, the cooperator is expected to provide the technical support individuals with their own office supplies, and/or computer(s)/networked equipment (i.e. a laptop, wifi hotspot, paper, pens, etc.)

2. In Section G.9: General Requirements, the RSOI specifies that "No funds are available for travel costs." Will the DON authorize use of a government vehicle for fieldwork activities? If not, will mileage reimbursement travel costs for use of a POV be allowable?

**Government Response:** No, the DON will not provide or authorize use of a government vehicle for fieldwork activities. No, the Government will not be providing mileage reimbursement for travel costs in addition to the total awarded for this CESU.

3. According to the RSOI, work location is to be determined in consultation with the CATR. What is the preferred duty station location for on-site cultural resources personnel? Is office space available on-base at the preferred location?

**Government Response:** Refer to Question #1 response.

4. Is the anticipated available funding for this effort (approx. $233,433) inclusive of the 17.5% CESU indirect cost rate?

**Government Response:** Yes.
