BUSINESS CLASSIFICATION CERTIFICATION STATEMENT

CONTRACTORS: Please complete the information below. Terms used are taken from the U.S. Small Business Administration (SBA) Rules and Regulations (<https://www.sba.gov/>) and the U.S. Code of Federal Regulations (CFR). The term “controlled” refers to the management and daily operation of the business concern.

The company identified below (check all that apply):

1. _____ **IS NOT** a small business concern as defined in the regulations
(If you checked here, STOP. GO TO CERTIFICATION BELOW.)
_____ **IS a small business concern**, defined as one that is independently owned and operated, is organized for profit, is not dominant in its field, meets the SBA size standard eligibility (see reverse side of this form for examples of size standards), is registered and has its status represented in the U.S. Government’s System for Award Management (SAM) database. See <http://www.sba.gov/content/what-sbas-definition-small-business-concern>.
2. _____ IS a **small disadvantaged business concern** of which at least 51% is unconditionally and directly owned and controlled by one or more socially disadvantaged and economically disadvantaged persons who are U.S. citizens. See [13 CFR 124.105](#) for exceptions.
3. _____ IS a **women-owned small business concern** of which at least 51% is unconditionally and directly owned and controlled by one or more women who are U.S. citizens. See [13 CFR 127](#).
4. _____ IS a **HUBZone small business concern** that meets the certification eligibility requirements set by the U.S. SBA. See [13 CFR 126](#).
5. _____ IS a **veteran-owned small business concern** of which at least at least 51% is unconditionally and directly owned by one or more veterans or service-disabled veterans. See [38 CFR 74](#).
6. _____ IS a **service-disabled veteran-owned small business concern** of which at least 51% is unconditionally and directly owned by one or more service-disabled veterans. In the case of any publicly owned business, not less than 51% of the stock of which is owned by one or more service-disabled veterans. The management and daily business operations of which are controlled by one or more service-disabled veterans, or in the case of a veteran with a permanent and severe disability, a spouse or permanent caregiver of such veteran. See [13 CFR 125.11 et al.](#)

CERTIFICATION

I hereby certify the information supplied herein to be true and correct. (Any misrepresentation shall be subject to the provisions stated in item B on the reverse side.)

Company Name: _____

Signature of Company Officer

Company Address: _____

Print Name: _____

Title: _____

Date: _____

Type of Goods/Services: _____

North American Industry Classification System (NAICS) Code: _____

A. A small business concern is one that is independently owned and operated, is organized for profit, is not dominant in its field, has a place of business in the U.S., and operates primarily within the U.S. or makes a significant contribution to the U.S. economy. Size standard eligibility is based on the average number of employees for the preceding 12 months or on sales volume averaged over a 3-year period. See [13 CFR 121.201](#) for size standards identified by NAICS codes. The size standards for a few industries are shown below and are subject to change at any time.

1. SPECIALTY TRADE CONTRACTORS – “Small” if average annual receipts for preceding 3 years do not exceed \$15 million.
2. CONSTRUCTION, GENERAL CONTRACTORS – “Small” if average annual receipts for preceding 3 years do not exceed \$36.5 million.
3. MANUFACTURING – “Small” if 500 employees or less, except for some specific products which will increase the complement of employees to 750 or 1,000.
4. TRANSPORTATION – “Small” if average annual receipts for preceding 3 years do not exceed the amount shown for specific services.

\$27.5 million – general freight trucking, local.
5. WHOLESALE TRADE, DURABLE AND NON-DURABLE GOODS – “Small” if 100 employees or less.
6. RETAIL TRADE – “Small” if average annual receipts for preceding 3 years do not exceed the amount shown for specific products.

\$7.5 million –hardware stores.
7. SERVICES – “Small” if average annual receipts for preceding 3 years do not exceed the amount shown for specific services:
 - a) \$27.5 million – computer systems design services, custom computer programming services \$20.5 million – security guards and patrol services
 - b) \$18 million – janitorial services
 - c) \$38.5 million – passenger car rental
 - d) \$32.5 million – office machinery and equipment rental & leasing
 - e) \$7.5 million – general automotive repair

Annual receipts of a concern which has been in business for less than 3 complete fiscal years means the total receipts for the period the concern has been in business divided by the number of weeks in business, multiplied by 52. See [13 CFR 121.104](#).

B. Notice. Under [15 U.S.C. 645\(d\)](#), any person who misrepresents a firm’s status as a small business concern, a qualified HUBZone small business concern, a small business concern owned and controlled by socially and economically disadvantaged individuals, or a small business concern owned and controlled by women in order to obtain a contract to be awarded under the preference programs established pursuant to 15 U.S.C. sections 637(a), 637(d), 638, 644, or 657(a), shall:

1. Be punished by imposition of fine, imprisonment, or both;
2. Be subject to administrative remedies including suspension and debarment; and
3. Be ineligible for participation in a program conducted under the authority of the Small Business Investment Act of 1958.

BID FORM

FOR

IFB NO. 10365 Fuel Storage Halepohaku Single-Wall Underground Storage Tank Conversion- Design

Maunakea Shared Services, 640 N. Aohoku Place, Hilo, HI 96720.

To Maunakea Shared Services:

The undersigned has carefully examined the INVITATION FOR BID for IFB No. **10365 Fuel Storage Halepohaku Single-Wall Underground Storage Tank Conversion- Design** , and offers to furnish all labor, materials, tools, and equipment necessary to complete all work as specified, in strict accordance with the true intent and meaning of the plans and Invitation for Bid and shall complete all work within ninety (90) consecutive calendar days from the date designated in the Notice to Proceed.

BASIC BID:

The project shall in general consist of providing an analysis, including costs, for the two options listed in Attachment 1. The cost analysis should break out the removal costs for the existing single-wall infrastructure should MKSS decide not to install new tanks, pipes and fuel pumps. The analysis for the replacement should include a detailed drawing showing placement of the new infrastructure and list the associated advantages / disadvantages for each option and provide an estimated time for completion once a contractor is selected. See Attachment 1 for technical specifications, maps and location.

For the sum of _____

_____ DOLLARS (\$ _____),

including all material and non-material costs, labor costs, equipment costs, foreign taxes, transportation costs, vehicle costs, air freight costs, shipping costs, supply costs, mobilization costs, insurance premiums, warranty costs, administrative support costs, rental costs, overhead costs, building and special permit fees, utilities service fees, expediting fees and all applicable taxes (Federal and State).

TO BE ELIGIBLE TO BID, BIDDERS MUST POSSESS A VALID STATE OF HAWAII CONTRACTOR'S LICENSE A or B. IN ADDITION, BIDDERS MUST LIST ALL

SUBCONTRACTORS INCLUDING THOSE WHO POSSESS SPECIALTY CONTRACTOR LICENSES.

THE BIDDER SHALL BE SOLELY RESPONSIBLE FOR INSURING THAT ALL THE SPECIALTY LICENSES REQUIRED TO PERFORM THE WORK ARE COVERED IN ITS BID, AND THAT ALL SUBCONTRACTORS ARE LISTED. **FAILURE TO LIST ALL REQUIRED SUBCONTRACTORS MAY BE GROUNDS FOR DISQUALIFICATION.**

SITE VISIT(S)

Bidders shall arrange for an appointment by calling the General Manager Representative, Stewart Hunter, 808-961-2816.

INTERPRETATION OF PLANS AND SPECIFICATIONS

Bidders are cautioned to review the Plans and Technical Specifications carefully and thoroughly. **In instances where conflicts occur within the Plans and/or between the Plans and Technical Specifications and/or within the Technical Specifications, the more stringent requirement(s) shall be applied by the bidder when formulating its bid amount. Failure by the bidder to apply/adhere to the more stringent requirement(s) shall not constitute the basis for price adjustment(s).** Objections to or requests for clarification of the Plans and/or Technical Specifications shall be made in writing to the Technical Representative, Stewart Hunter at eshunter@hawaii.edu, no later than TEN (10) calendar days prior to the scheduled bid due date. The submittal of a bid shall be considered as acceptance of the specifications as published. Protest concerning the technical specifications lodged after bid opening shall not be considered.

PATENTED DEVICES, MATERIALS AND PROCESSES

If the Contractor is required or desires to use any design, device, material or process covered by letters of patent or copyright, the right for such use shall be procured by the Contractor from the patentee or owner. The Contractor and surety shall indemnify and save harmless the State and its Departments and Agencies, any affected third party, or political subdivision from any and all claims for infringement by reason of the use of any such patented design, device, material or process, or any trademark or copyright in connection with the work to be performed under the contract, shall indemnify the State and its Departments and Agencies for any costs, expenses and damages which it may be obliged to pay by reason of any such infringement at any time during the prosecution or after the completion of the work.

PERIODIC INCREASES OF MINIMUM WAGES FOR PUBLIC WORKS CONSTRUCTION CONTRACTS

Section 104-2, Hawaii Revised Statutes, provides that laborers and mechanics employed on State construction contracts exceeding \$2,000 shall be entitled to any increases in prevailing wage rates as determined by the Director of the Department of Labor and Industrial Relations (DLIR), and as published in the wage rate bulletins, regardless of the prevailing wage rates in effect at the time of contracting. It is the responsibility of the Contractor to keep current of all changes to the prevailing wage rates. Pursuant to Section 12-22-6 (1), Hawaii Administrative Rules, the Apprenticeship Schedule is applicable only to apprentices who are parties to apprenticeship agreements registered with or recognized by the DLIR.

Wage rate bulletins are issued periodically by the Research and Statistics Office, Department of Labor and Industrial Relations and may be found at: <http://labor.hawaii.gov/rs/home/wages/72-2/>.

THE RCUH WILL NOT CONSIDER CHANGES TO THE WAGE RATE BULLETIN AS A BASIS FOR AN INCREASE IN CONTRACT PRICE. CONTRACTORS ARE ALSO CAUTIONED THAT FAILURE TO COMPLY WITH THE REQUIREMENTS OF SECTION 104-2, HAWAII REVISED STATUTES, MAY BE PUNISHABLE BY A FINE OF \$1,000 PER OFFENSE BEING ASSESSED AGAINST A CONTRACTOR FOR A FIRST VIOLATION.

TAX LIABILITY

Both out-of-state and Hawai'i bidders are advised that the amount bid on this solicitation is subject to the general excise tax imposed by Chapter 237, Hawaii Revised Statutes (HRS) and, if tangible property is being imported into the State of Hawai'i for resale, the use tax (currently 1/2%) imposed by Chapter 238, HRS. (Refer to TAXES in the GENERAL PROVISIONS.) Bidders are therefore cautioned to consider such taxes in formulating their bids, as no adjustments to the prices bid shall be allowed.

TAX CLEARANCE (CERTIFICATE OF VENDOR COMPLIANCE)

In accordance with Hawaii Revised Statutes § 103-53, the RCUH requires vendors to provide a valid tax clearance from the Hawaii Department of Taxation and the U.S. Internal Revenue Service, as a prerequisite to entering into any contract, agreement, or purchase order of \$25,000 or more, **and** prior to releasing a final payment for such purchases. A Certificate of Vendor Compliance that reflects a "Compliant" status from Hawaii Compliance Express (HCE), <https://vendors.ehawaii.gov/hce/splash/faq.html> is acceptable in satisfying the tax clearance requirement.

BID DISQUALIFICATION

An acceptable bid must conform in all material respects to this INVITATION FOR BID (IFB). Any of the following may be grounds for disqualification:

1. Taking exception to any of the specifications' terms or conditions contained in the IFB.
2. Placing conditions on the furnishing of solicited goods or services.
3. Inclusion of a quotation or order form containing additional specifications, terms or conditions.
4. Referencing external documents containing additional specifications, terms or conditions.
5. Evidence of collusion among bidders.
6. Lack of responsibility and cooperation as shown by past work such as failing to complete all of the requirements to close the project within a reasonable time or engaging in a pattern of unreasonable or frivolous claims for extra compensation.
7. More than one bid for the same project from an individual, firm, partnership, corporation or joint venture under the same or different name.
8. Lack of responsibility including, but not limited to, arrearages on existing contracts in litigation with the Research Corporation of the University of Hawai'i, University, State of Hawai'i, or defaults on a previous contract.
9. Being in arrears on existing contracts with the Research Corporation of the University of Hawai'i, University, or State of Hawai'i, or having defaulted on a previous contract with the University or the State of Hawai'i.
10. Delivery of bids after the deadline.
11. Failure to follow directions and instructions in the invitation.
12. Failure to pay, or satisfactorily settle, all bills overdue for labor and materials of former contracts in force at the time of issuance of bid forms.
13. Debarment or suspension consistent with the provisions of Chapters 103D, 104 and 444, Hawaii Revised Statutes, as amended, or federal statutes.

Bidders are advised that bids are evaluated as submitted and requests by bidders to delete conditions contained in their bids after bid opening cannot be considered.

Attention of the bidders is directed to the contract performance bond, contract payment bond and insurance requirements of this IFB, which should be carefully considered before submitting a bid. Failure to provide a contract performance bond and contract payment bond will result in forfeiture of your bid security and failure to comply with the insurance requirements will result in forfeiture of your bid security or your contract performance bond.

BASIS FOR AWARD

The award of contract, if awarded, shall be made to the responsible bidder submitting the responsive bid with the lowest evaluated BASIC BID.

LISTING OF JOINT CONTRACTOR AND/OR SUBCONTRACTORS
(Page 1 of 2)

The following information shall be submitted, on this form, by each bidder as a bid requirement.

It is the sole responsibility of the bidder to review the requirements of this project and determine the appropriate specialty Contractor’s licenses that are required to complete the project.

Each bidder shall include the name, license number and classification code of each person or firm to be engaged by the bidder as a joint contractor or subcontractor(s) for performance of this contract. Failure to provide correct names and active license numbers as registered with the Contractor’s License Board may be grounds for rejection of the bid submitted. The bid shall also indicate the nature and scope of work to be performed by such joint contractor or subcontractor(s).

The bidder acknowledges that as a general contractor (‘A’ or ‘B’ license) the bidder is prohibited from undertaking any work solely or as part of a larger project, which would require the bidder (‘A’ or ‘B’ general contractor) to act as a specialty (‘C’ license) contractor in any area in which the bidder (‘A’ or ‘B’ general Contractor) has no specialty Contractor’s license. The bidder (‘A’ or ‘B’ general Contractor) must have the appropriate ‘C’ specialty Contractor’s licenses either obtained on its own, or obtained automatically under the rules and regulations of the Contractor’s License Board, Department of Commerce and Consumer Affairs. This list shall not be changed or altered without the written consent of the Procurement Officer.

All bids which do not comply with this requirement may be rejected.

Name of Joint Contractor and/or Subcontractor(s) (specify which)	*License Number	Classification Code	Nature and Scope of Work

ATTACHMENT 1
TECHNICAL SPECIFICATIONS

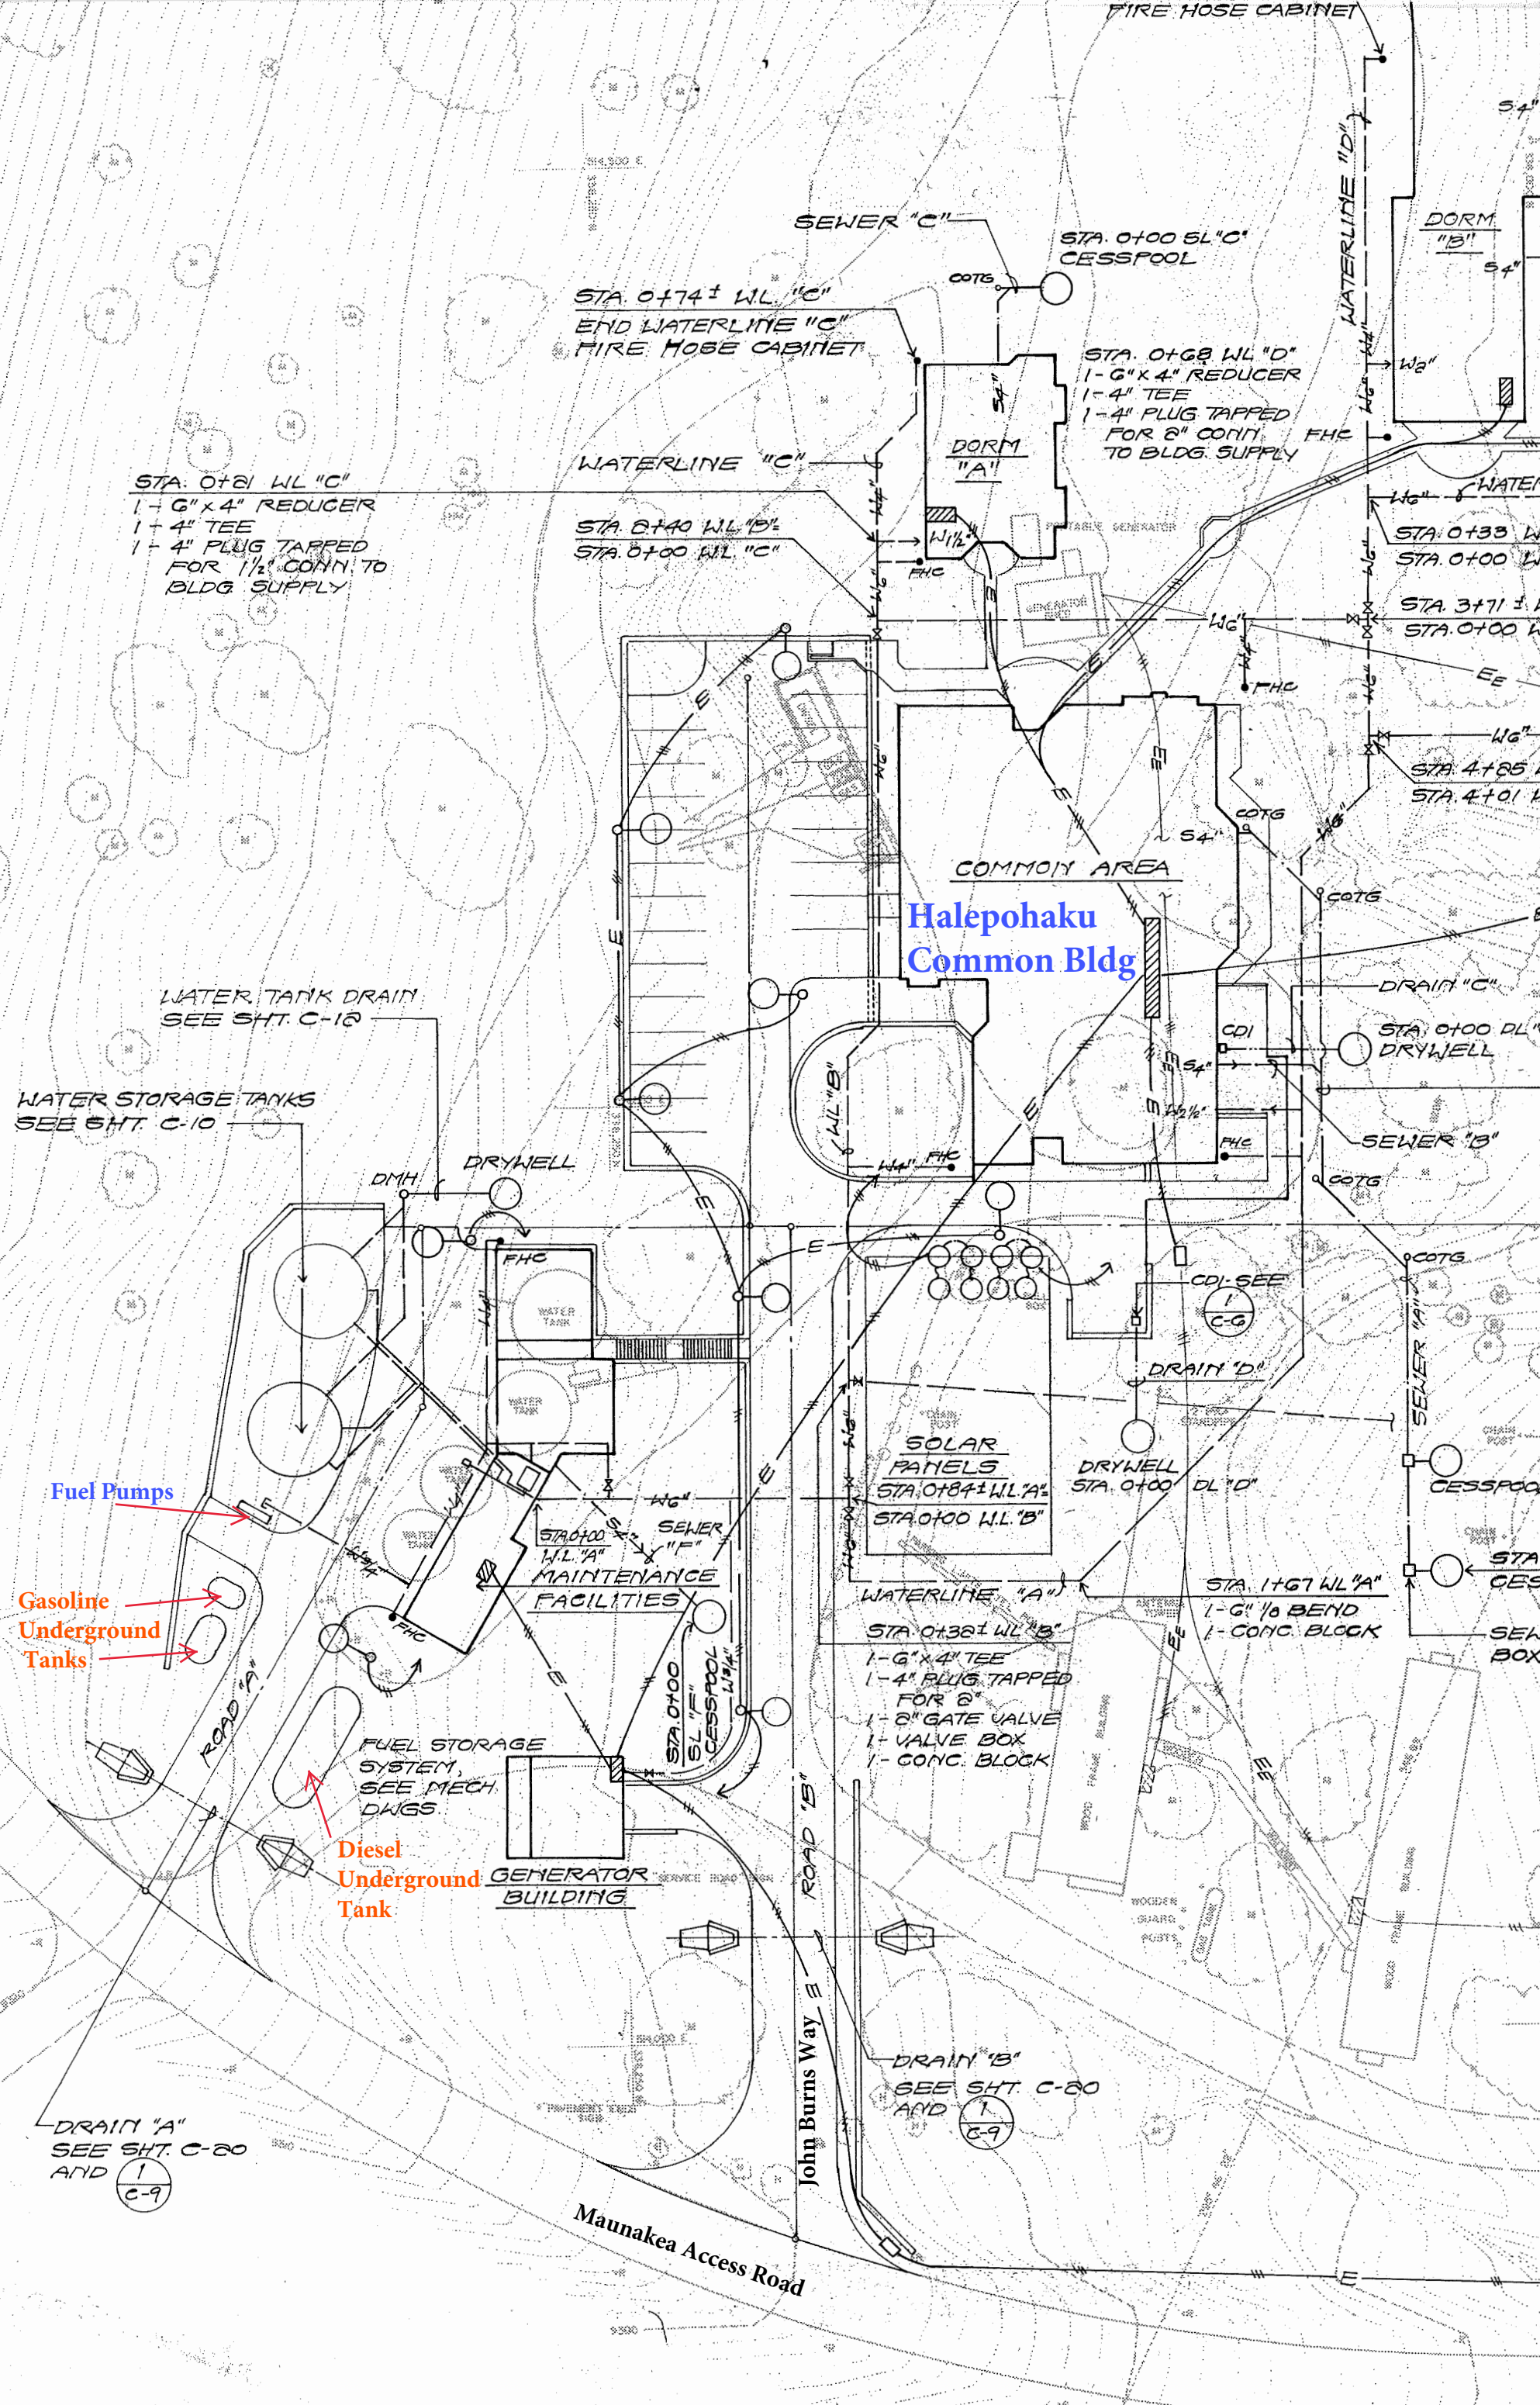

Project Summary: **Halepohaku Single-Wall Underground Storage Tank Conversion- Design**

Item	Cost
Design Cost	TBD
Total Project	TBD

Includes: Labor, Materials and Equipment

- A. MKSS manages three single-wall underground fuel storage tanks at Halepōhaku as well as associated fuel pumps and single-wall piping. There is a 4K gallon and a 2K gallon gasoline tank, a 12K gallon diesel tank, three fuel pumps for refueling vehicles and equipment and associated piping. There is also a single-wall diesel line running south to the Common Building used to supply a day-tank for a facility heating boiler and a hot water heater. This line includes a small pump and associated control circuitry to auto-fill the day tank in the Common Building.
- B. The Hawaii Department of Health requires all single-wall tanks and associated single-wall piping and pumps to be removed, inactivated or replaced no later than July 2028.
- C. MKSS would like the following, divided into two phases:
 - 1. Phase 1
 - 2. Provide an analysis, including costs, for the two options listed below. The cost analysis should break out the removal costs for the existing single-wall infrastructure should MKSS decide not to install new tanks, pipes and fuel pumps. The analysis for the replacement should include a detailed drawing showing placement of the new infrastructure and list the associated advantages / disadvantages for each option and provide an estimated time for completion once a contractor is selected.
 - 3. Option 1: Remove all single-wall tanks and associated equipment (piping, fuel dispensers) located above the south side of the Utilities Maintenance Building. Replace with a single 12K duel compartmented underground fuel tank (or two separate 6K gallon tanks) new piping and two fuel pumps (one would be diesel and the other gasoline) that comply with DOH requirements in place after July 2028.
 - 4. Option 2: Remove all single-wall tanks and associated equipment (piping, fuel dispensers) located above the south side of the Utilities Maintenance Building. Replace with a single, 12K duel compartmented above-ground fuel tank, (or two separate 6K gallon tanks) new piping and two fuel pumps (one would be diesel and the other gasoline) that comply with DOH requirements in place after July 2028.

- D. Phase 2
1. MKSS would use the results of Phase 1 and decide whether to:
 2. Remove the existing single-wall fuel infrastructure to meet DOH requirements.
Or
 3. Remove the existing single-wall fuel infrastructure and install new infrastructure to meet DOH requirements.
- E. Once this decision was made, MKSS would request a detailed "shovel ready" engineering plan for the selected option that would be used by a contractor to complete the work. This plan would also identify different phases of the work, including permitting requirements and the types of resources needed at each step."
