ADJUSTMENTS FOR FRIDAY, AUGUST 17th (STATEHOOD DAY)
Here in Hawai‘i we celebrate Statehood Day. Statehood Day commemorates Hawai‘i’s admission as the 50th state of the United States. This year, Statehood Day falls on Friday August 17, 2018. Because Statehood Day is a State Holiday, the University will officially be closed. However, we’ve planned various events for you to join -- check out the Friday schedule.

Photography during our events
From time to time, First Year Experience or UH Hilo staff will be taking photographs at our various events. The use of photographs
and event participants may be used in our promotional materials and by virtue of your attendance at UH Hilo events. Please note, if you do not want to be photographed in large-group pictures or activities, please let a First Year Experience Staff member know. Mahalo.

In this heightened time of volcanic and seismic activity, we want to be sure you folks are safe. In the event of an earthquake it is recommended to drop to the ground or take cover and hold on until the shaking stops, protecting your head and neck with your arms. After the earthquake, remain calm. Do not leave the building until the shaking is over. Then exit in a calm and orderly manner. Take note of the nearest exit to you.
