Compare your application with your completed project. Use additional space as necessary. Completed reports may be emailed to uhhilopd@hawaii.edu or dropped off at the Office of the Chancellor.

1. Describe when your project took place: 7 February 2014
2. Did it take place as scheduled in your application? Yes
3. Describe where your project took place. UH Hilo SDAV lab, room K-273
4. Is this the same location you identified in your application? No
5. If not, what happened and why? Needed computers to conduct seminar
6. What categories best describe your project as implemented? Check all that apply:
   - Speaker X
   - Training X
   - Workshop X
   - Technology X
   - Audio Conference
   - Webinar
7. Provide a brief summary of what you did.
   Flight demonstration and 2 seminars: UHH leadership and open seminar
8. Did you meet the objectives for this event as proposed in the application?
   Yes on the quality of the seminars and the demonstration.
   No on the number of people attending. We needed to do more publicity
9. Describe how your project addressed the UH Hilo Strategic Plan.
   Educated leadership on topic of RPAS. Great publicity in Herald Tribune following event.
10. How did you advertise your event and describe effectiveness of those methods.
    Sent email to most of my contacts in HI. Expected a better response rate. The price $125 was a deterrent to some potential participants.
11. How many people did you reach directly through your project? 50
12. Were your attendees part of your proposed target audience? Yes
13. What is different in the units or University because of your project?
   Awareness of RPAS. Very valuable exchange of information between Stephen Rayleigh and Nicholas Turner and Ryan Perroy.

14. Provide a detailed budget describing how you used your professional development funds.
   Attach a copy of all invoices and/or receipts.
