Recognize, Respond & Refer by Counseling Services w/ Augie T

Wednesday, Sept. 27, 3- 4:30 pm, or Thursday, Sept. 28, 12-1:30 pm, UCB 127

Did you ever have a student you were concerned about, and didn’t know how to help? What is your role as faculty and staff in supporting the 32% of students on campus who may be experiencing a mental illness? How can you help to keep students engaged and enrolled during difficult times? What kind of support is appropriate?

What do you see?
Late work, missing class, unpaid bills, missing appointments, unresponsive to emails, erratic behavior…

What could it be?
ADHD, anxiety, depression, trauma, homesickness, grief, relationship issues, family concerns, emerging health issues…

Get the information and resources you need from Counseling Services. Award-winning comedian and community advocate Augie T will provide guidance about how to understand what a student may be experiencing so you can respond supportively, and refer to the appropriate resources.

For all UH Hilo Staff and Faculty
Please RSVP: https://goo.gl/forms/m0G0k1jz5w1x6ylt2

This training provided in collaboration with the Chancellor’s Professional Development Fund, the UH Hilo Suicide Prevention Committee and Counseling Services.

For questions or disability accommodations please contact Emily, elow@hawaii.edu or 932-7465.
