

We want to know what YOU think about the health and well-being of our campus community...

Take the Survey today!!

- **Who is the ACHA:** A national organization dedicated to student health & well-being.
- **What is it:** A survey taken by college students around the country to assess the health, safety and well-being of students.
- **How do you take it:** The survey can be accessed using your personal device and a unique URL, so you can complete it at your own pace.
- **When:** Check your email on Monday, October 4th for the invitation. Once you start, it should only take 20-30 minutes to finish.
- **Why participate:** Because only YOU can tell your story, from your perspective. Be part of the solution if you see an issue OR shed light on something you find important.
- **What happens with the results?:** The results are kept confidential and will be used to help guide programming and services for the future.

As a token of our appreciation, you'll receive one of these great items, after completion of your survey.

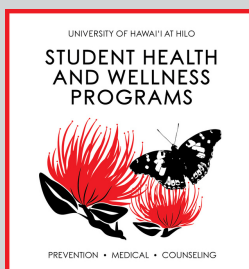

Blue-light blocking glasses w/ tech cleaning cloth

Fold-away lunch bag

Contact Heather Burt @ uhhcsout@hawaii.edu to pick up your choice of items.

While supplies last, may be substituted as needed.

Please note: Must be at least 18 years old and a current student of UH Hilo.

Survey will be open from October 4 - October 18, 2021.

For questions, please contact Patti at shwp@hawaii.edu
