MEMORANDUM

TO: Jean Ippolito, Chair, Faculty Congress
FROM: Donald Straney, Chancellor
SUBJECT: Faculty Congress Motion # 9

I am in receipt of Faculty Congress Motion #9, passed on December 18, 2015, by a vote of 20 approved, 0 opposed, 0 abstentions.

Motion 9: to reschedule the last day for students to withdraw with a "W":
Whereas many students request that the Dean make an exemption to the current deadline,

And whereas, other campuses in the UH System have later withdrawal deadlines

Therefore, be it resolved that Faculty Congress support the rescheduling of the last day to withdraw with a "W" to 10 weeks into the semester instead of the current 8.

I approve the motion and direct it be so implemented by the Division of Student Affairs.

cc: Matt Platz, Vice Chancellor for Academic Affairs
    Gail Makuakane-Lundin, Interim Vice Chancellor for Student Affairs
