Motion 1 (2014-2015): Fill the full-time Curriculum Coordinator position in a Curriculum Office within Academic Affairs as soon as possible.

Whereas the following motion to create a full-time Curriculum Coordinator position was passed unanimously by Faculty Congress in Spring 2011:
“The CCRC requests that the University create a full-time position for a Curriculum Coordinator who will be responsible for facilitating the development and review processes of curriculum.”
(Vote was 16 for, 0 opposed, 2 abstain. Motion passed.)

Whereas the problems with the process of Curriculum Review still remain a major concern.

Whereas these problems cannot be resolved by a single faculty member with one course release.

Whereas curriculum decisions and their implementation need to be owned by Academic Affairs.

Therefore, the Faculty Congress requests the administration fill the full-time Curriculum Coordinator position in a Curriculum Office within Academic Affairs as soon as possible.
