

# University of Hawaii at Hilo Perceived Teaching Effectiveness Form

Semester: <input type="radio"/> FA <input type="radio"/> SP <input type="radio"/> SU Year:	Alpha:	Number:	Section:	Instructor:
--	--------	---------	----------	-------------

Instructions: Please help your instructor evaluate this course. We ask that you carefully consider the following items and offer your input on each. Do not simply write "good" or "bad." Take your time and write thoughtful responses to each item. If you do this, then your instructor will be able to improve her/his course by understanding what ought to be modified and what was successful. We thank you for your time and careful consideration.

1. Identify those qualities of your professor which you found most helpful and positive:

---

---

---

---

---

---

---

---

2. Identify those qualities of your professor which you found least helpful and would recommend changing:

---

---

---

---

---

---

---

---

3. Indicate the topics/content in the course which you found most interesting and valuable:

---

---

---

---

---

---

---

---

4. Indicate the topics/content in the course which you found least interesting and valuable:

---

---

---

---

---

---

---

---

5. Indicate how the course might be improved:

---

---

---

---

---

---
