**Notes:**

1. Students must earn a minimum grade of "C-" in all required courses and prerequisite courses.
2. The 300- and 400- level credits needed for graduation for all degrees in Marine Science are met in the process of completing the degrees.

\* MARE 350+L is offered in the Fall, MARE 353+L in the Spring; Students should select either course and take an elective in the other semester.

\*\* Both MARE 471 or 480 satisfy the GE GCC Requirement. Students are required to take one GCC certified course to meet the General Education Requirements.

^^ MARE 470 and MARE 480 are offered in the Fall while MARE 495 is offered in the Spring. Please plan your schedule accordingly.
