Notes:

1. Students must earn at least a 2.0 GPA in courses required for the major.
2. At least 36 credits must be earned in courses at the 300- or 400- level.
3. Students are encouraged strongly to meet with their advisors regarding Natural Science elective courses appropriate to their career aspirations.

* PHYS 260 and 260L may be offered in both the Fall and Spring semesters. Students should plan on taking this course and lab during Year 2 in either semester.
