AGREEMENT BETWEEN THE UNIVERSITY OF HAWAI'I AT HILO
And
HAWAI'I COMMUNITY COLLEGE

The Administration of Justice (ADJ) major at the University of Hawai'i at Hilo (UHH) requires one course (AJ 101) offered at Hawai'i Community College (HawCC) and allows as many as three HawCC courses (AJ 150, 210, 280) as electives. Because University of Hawai'i policy requires students enrolled at one campus to pay by the credit hour for courses taken at another campus in the system, ADJ majors at UHH are put at a disadvantage as they must take at least one course offered at another campus. In order to rectify this situation, the following policy is enacted:

HawCC shall be reimbursed by UHH for the cost of tuition for teaching UHH ADJ students in HawCC AJ courses. This reimbursement is equivalent to the calculated cost using this formula: no. of UHH students/total enrollment X personnel costs for the AY 2010-2011 & 2011-2012.

This agreement shall remain in effect until dissolved by mutual agreement or by action of the BOR.
