Notes:

Students must earn at least a 2.0 GPA in courses taken for the major and also must earn at least a 2.0 GPA in courses taken for the minor.

At least 23 semester hours in the General Science and Physical Science Concentrations must be earned in the total university selection of courses numbered 300–400.

At least 32 semester hours in the Environmental Science Concentration must be earned in the total university selection of courses numbered 300–400.

Students should take the 495A–495B seminar appropriate to their minor. Biology minors should enroll in BIOL 495A–495B.

Marine Science minors should enroll in MARE 495. All other minors should enroll in the Astr/Chem/Geol/Math/Phys 495A–495B seminar.
