Opportunities in Conservation Science, Natural Resources Management,
and Environmental Education & Outreach**

FACULTY RECOMMENDATION FORM

This recommendation will be used for selection purposes only; it will not be made part of the student's educational record and no reference will be made to it for educational purposes after a decision is made on the applicant's selection. Therefore, this recommendation is not subject to the provision of the Family Education Rights and Privacy Act of 1974. The applicant will not have legal access to this recommendation.

TO THE STUDENT: *Fill in your information on each form. This recommendation should come from a faculty member with whom you have worked and/or from whom you have taken a class.*

Last _____ *First* _____ *Middle* _____
Mailing Address: _____

Phone: (Home) _____ (Cell/Pager) _____ (Alternate) _____

Email: _____

TO THE FACULTY MEMBER:

The student named above is applying for the University of Hawaii Hilo's Pacific Internship Programs for Exploring Science (PIPES). For more information on each specific program, please visit our website at <http://hilo.hawaii.edu/uhintern/>. While these internships provide great opportunities for the interns, we have an obligation to provide quality interns to our participating host agencies and researchers. Your recommendation is very important in our consideration of this student's application for this program. If you have comments or concerns that are not addressed within this form, please add those to the end of this form or contact the program directly.

Please return this two-page form by email, fax or mail by **FEBRUARY 8th, 2019** to:

PIPES Program UHH-Office of Research 200 W. Kawili Street Hilo, HI 96720
PHONE: 808.932.7984, FAX: 808.932.7940, or EMAIL: uhintern@hawaii.edu

1. How long have you known the student and in what capacity?

2. Maturity, being able to work independently, and the ability to work with and cooperate as part of a team are very important traits of a successful intern. Please evaluate the applicant in regards to these attributes.

Applicant Name: _____

3. Please evaluate the applicant's personal qualities and social skills, both positive and negative.

4. Discuss the applicant's academic strengths and weaknesses, with particular regard to his/her ability and **potential** to conduct research and/or contribute to an experiential-based project.

5. Please rate your recommendation of this student in the appropriate space.

	Enthusiastically	Strongly	Fairly Strong	Without enthusiasm	Not recommended
For academic promise:					
For character and personal promise:					
Overall recommendation					

6. Do you have any additional comments in regards to this student? *(Please attach additional sheets if needed)*

Please fill in the following and then sign, date, and return this form to the address on the front page.
