ASD Support Group

The rainbow infinity symbol represents the diversity of the autism spectrum and the broader neurodiversity movement.

The ASD Support Group is for students who are part of the autism spectrum community. The purpose of the group is for members to get support from others in a safe, confidential setting.

Discussion topics will be determined by the group and may include issues related to:

- neurodiversity
- identity
- relationships
- career exploration
- social anxiety
- solutions to challenges
- friendships
- communication

If you would like to join the group or to learn more please contact elow@hawaii.edu or call Counseling Services at 932-7465.

All inquiries will be kept confidential. The place and time of group meetings will be determined according to the schedules of interested students.
