HAWAIʻI ISLAND!
You are invited to be a part of Hawaiʻi’s suicide prevention and awareness efforts!

ASIST:
Applied Suicide Intervention Skills Training

This TWO-DAY workshop will equip participants to respond knowledgeably and competently to persons at risk of suicide. Participants learn and practice skills in identifying and responding to people at immediate risk of suicide. Just as “CPR” skills make physical first aid possible, training in suicide intervention develops the skills used in suicide first aid. This is a highly interactive workshop that will give you the training that you need in order to be a care-giving resource within your community.

Thursday, January 7th AND Friday, January 8th, 2016
7:45 a.m. – 4:00 p.m. on BOTH DAYS
at the University of Hawaiʻi at Hilo, University Classroom Building, Room 114
(200 West Kāwili Street, Hilo, 96720)

Reminders:
* Attendees must be present for BOTH FULL DAYS to receive certification.
* Please be on time – late-comers may be turned away.
* Meals will NOT be provided, but there will be ample time to purchase lunch on or off-site (or you may bring lunch).

Interested in attending?

UHH and HAWCC students and staff: email Dr. Yolisa Duley at hduley@hawaii.edu.

Pre-registration is necessary to attend a training session.
Your reservation will be confirmed via email.

Please note that those who have experienced a recent loss to suicide may find attending suicide prevention trainings very difficult and are cautioned against participating. For survivor resources, feel free to contact us.

Any questions can be directed towards: sptrainings@dop.hawaii.edu.

A special thanks to the Hawaiʻi State Department of Health for their sponsorship of this training!
